AMENDED LAWS OF PEAVINE DISTRICT.

At an adjourned meeting of the miners of Peavine Mining District, held at the Golden Eagle Hotel on the 23d day of May, A. D. 1875, to hear the report of the Committee appointed at a previous meeting, said Committee reported as follows:

MR. CHAIRMAN:—Your Committee appointed at a former miners meeting to examine the By-Laws and report at this meeting, whether, and in what respect, said By-Laws should be amended, now report that we have examined said By-Laws and find the same, proper and sufficient for the government of the District, except article seventh, for which we recommend the following substitute:

ARTICLE 7TH.
An annual election shall be held in the District on the second Saturday of July in each year, at which shall be elected by ballot, a District Recorder to serve for one year thereafter and until his successor is elected and qualified, and when a vacancy occurs by death or otherwise in said office, an election may be held upon five days public notice, to elect a Recorder to serve the unexpired term.

The Recorder elect shall, before entering upon the duties execute an official bond to the State of Nevada with one or more sureties in the penal sum of \$1,000 to be approved by the Commissioners of the County of Washoe, and to be recorded in the office of the Recorder of Washoe County, and take the official oath prescribed by the laws of the State of Nevada.

The office hours of the District Recorder shall be from 9 o'clock A. M. until 4 o'clock P. M. and he shall note upon each notice of location of a mining claim the exact time of his receiving, and filing the same. He shall keep the District Records in a proper manner and have the same at all times, safely under control of himself or deputy or clerk, and shall cause the same to be open to public inspection at all times during business hours, and shall deliver the same to his successor in office.

He shall have power to appoint one or more deputies, for whose acts he shall be responsible.

ADENDA.

It was suggested to your Committee by a number of mine owners from Reno, that Article 8 be so amended as to provide for two election precincts in the District; but this your Committee deem inadvisable, for if the District is too large to make it a hardship and inconvenient to meet and vote in one place at an annual election, the same objection in a much greater degree would apply to having almost daily business transactions at the Recorder's office at one place in the District, and if this is an evil of so much magnitude, we think the proper remedy would be to divide the District. This matter, however, we leave for your action.

W. L. ROSS.
FELIX O'NEIL.
SOL. LINOLE.

On motion it was moved and seconded that Article 7 be adopted as reported by the Committee, which was duly carried.

On motion it was moved and seconded that the substitute and the recommendation of the Committee relative to Article 8 be adopted, and until the suggestion therein is carried out, and the District remain undivided, that said Article 8 remain as it now is in full force and effect. Carried.

No further business coming before

the meeting, a motion to adjourn was carried.
Attest, JNO. C. SMYLES,
District Recorder, acting as Secretary of Meeting.

THE CALIFORNIA CAMPAIGN.

Besides a Governor and other State officers California will choose its four members of the forty-fourth Congress, at its election in September. The Republicans of the State are already fully aroused and have entered upon the campaign with the determination to win. Their Convention will be held June 10th, and from that time until the close of the polls on election day, we may expect stirring times among the true and earnest men of the Golden State. Party dissensions have heretofore defeated the Republicans of California when they have come out second best in the race. This time, however, there are indications that a solid and united front will be presented to the enemy; and if this shall be the case, victory is surely in store for them.

RESUBMITTED.

Four members of the late Grand Jury, in San Francisco, have petitioned the County Court to resubmit the case of ex-Assessor Rosener to the next Grand Jury. The petition states that the petitioners were members of the late Grand Jury which ignored the charge, and that in their opinion the charge was not properly examined; that material testimony was withheld from a portion of the jury, and that one of the petitioners called the attention of the District Attorney to the great wrong which was being done the people by the imperfect manner in which the examination of the charge was made. The Court took the petition into consideration, heard argument as to the power of the Court to comply with its request, and finally signed an order resubmitting the case to the next Grand Jury. There is yet a prospect that Mr. Rosener will have an opportunity to show, in open Court, that he is an injured and innocent man.

It is said that the Denver grass-hoppers seize the daily papers as soon as they are out, to look over the local columns, and learn if any car-loads of Salt Lake potatoes or Michigan apples have arrived; and when they note such arrivals, they move for the railway track, and never wait for the cars to be opened but just eat their way through. They are a very discriminating animal and always jump for the top shelf. For example, every hopper hatched in the vicinity of Dorchester, took a "grass line" for Crete when they ascertained that corn was selling at 20 cts. higher than the usual price.

MCGLEW FURNACE. — We learn from persons recently from Unionville, that arrangements have been made by John C. Fall with the proprietors of the McGlew Chlorination Furnace for the building of one at that place immediately. It is also reported that Fall & Co. have disposed of a large lot of tailings to the furnace men. — *Silver State.*

PARKINSON'S NEW MAP. — Copies of Parkinson's new map of the Comstock Lode and adjacent mines, can be obtained of James Butler, at the Surveyor General's office B street Virginia.

Mr. C. F. Meyers has been appointed postmaster for Pioche.

San Francisco Bay, Alameda County, California.
Title Perfect. Incorporated.

THE NEWARK LAND COMPANY is now in shape to Guarantee Fund paid in. This Company will be prepared in May to take parties by steamboat and railroad to their town and lands. By reference to the Coast Survey Chart it will be seen that at Potrero Point, in front of Newark, the deep water comes all the way through the channel from the Pacific, with the C. P. R. R. running in a direct line through Livermore Pass, making this the connecting point between all parts of the United States and by deep water to all parts of the globe, and the greatest manufacturing point on the Bay of San Francisco—plenty of water, good climate, excellent soil, and easy communication. Purchasers getting possession can raise large crops by planting as late as July 15th. This company will commence active operation in building soon. For all information, circulars, maps, and subscription, apply at the office of the Company, 415 1/2 California street, basement, opposite Bank of California, San Francisco.

This land will be sold at auction May 22, 1875, by H. M. Newhall & Co. in acres and lots to the highest bidder. Terms at sale. Credit to large buyers. Possession will be given by the 1st of June, or sooner if the crops are off.

Steamer M. S. Latham leaves the foot of Brannan street, opposite the Pacific Mail Steamship wharf, San Francisco, Sundays, Mondays, Wednesdays and Fridays, at 8:30 o'clock, arriving at Newark at 11 to half past 11, according to the tide, giving from four to five hours on the ground. Returning, leave Newark at half past 3 o'clock, arriving at San Francisco at half past 6 P. M. The best of Restaurants on the steamer on the New York plan; pay only for what you get: Breakfast 50 cents, Dinner 75 cents. Fare for round trip seventy-five cents. LECTURE ON THE MEXICAN CAMPAIGN.—At the request of the Veterans of the Mexican War, Major E. A. Sherman will deliver a lecture on the campaign of Mexico in 1846-7-8, at the M. E. Church, on Saturday evening, June 5th, at 8 o'clock. The proceeds of the lecture will be added to a fund already in progress for the purpose of purchasing a banner, representing the surviving Veterans of our war with Mexico, residents of the State of Nevada, to be forwarded to the Centennial. Price of admission, fifty cents. Tickets can be procured of the Veterans, and also at the several saloons and jewelry stores of the town. It is to be hoped that all will contribute to gratify the wishes of the war-worn Veterans, who did not hesitate to obey their country's call, and by their service in camp and on the field of battle contributed to the grand result—the adding to our national domain of one of the richest mineral countries on the face of the earth. Go on, go on, and listen to the gallant Major as he unfolds the history of the victorious march of our armies, from the sea to the Capital of Mexico; of that wonderful march of Doniphan, the modern Xenophon, of over a thousand miles through an enemy's country, without receiving any aid or subsistence from the Government; winning every battle, and, at last, embarking at the mouth of the Rio Grande for the City of New Orleans, where they delivered up to the War Department a beautiful park of artillery, and the battle flags of the enemy, which they had won on well contested battle fields, before they were mustered out of service.

PAYING OFF.—County Treasurer Huffaker was kept busy all day yesterday paying off county indebtedness. Scrip holders were out in force, and Sam Lattan is now the happiest man in town.

SHERMAN'S MEMOIRS.—This book is exciting much curiosity, and we understand that several of our citizens have sent for copies of General Sherman's work.

WITHOUT A RIVAL.—There is no town in the State where more beautiful residences can be erected and gardens laid out and in a short time become as lovely as an English lawn at so little expense of time and money as here in Reno. Here the lilac, all the rose trees known, and the whole family of flowers are to be found growing in the most luxuriant confusion. They require but little attention and care, while they do much to cultivate not only a love for the beautiful but also a love for home.

J. C. Lewis however proposes right here to this aimless quibble a character, and hence distinctly charges that C. C. Powning as a printer is a *pat*; editorially a compiler; in business a trickster; in politics utterly unreliable. He can meet and refute these charges like a man or he can evade them like a child. Should he attempt to refute, we shall offer proofs, should he conclude to evade we shall accept the evasion as a plea of guilty.—*Mozzetta*.

We hereby offer a reward of \$500 to J. C. Lewis or any other man who will make good the above charges.

ALL warrants on the General Fund of the county up to and including No. 5,503 will be paid on presentation. The Board of Commissioners will no doubt at their meeting next Monday transfer a sufficient amount from the Contingent or some other fund to the General Fund, so that all outstanding claims against it can be paid next week.

TO COPY.—We are requested by the miners of Peavine District to ask the *Crescent* to publish the proceedings of their late meeting, as per copy in this morning's JOURNAL.

THE weather is not just exactly what June should bring forth. The month opens a little windy.

GRAND BALL.—Amity Lodge, No. 8, K. of P. will give a grand ball at Dyer's Hall on July 4th.

NEW GOODS.—Mrs. McNeely has just received a new and beautiful lot of goods of the latest styles and colors, consisting of ready made suits, dry goods, muslins, prints, white goods of all kinds, table linen, towels, napkins, black silk, hosiery, two-button gloves, gent's kid gloves, also handkerchiefs, ladies handkerchiefs, parasols, Spring shawls, corsets, zephyrs. Millinery and fancy goods of all kinds.

BOOTS AND SHOES, ETC.—It is an established fact that these articles can not be got along without. Hence, it necessarily follows, that in the purchase of them we should not only look to price but to quality, for none of us desire to pay an extortionate price for an inferior quality of boot or shoe. There is no doubt but that John Sunderland can give us complete satisfaction in both respects. Then to Sunderland's, (on Virginia street), we will go, for boots, shoes, slippers, and all goods of that class.*

TO RENT.—Mr. Wm. Hoffman desires to rent his house on West street. A good tenant can make an excellent bargain.

A PARTNER.—Since the 10th inst. Mr. Edwin Pierce has been associated with J. N. Jaquish, in the saddle and harness business. Mr. Pierce is a full partner, entitled to half the assets, and chargeable with half of the liabilities.

INTERESTING TO THE LADIES OF RENO AND VICINITY.—The new dress-making establishment opened by the Misses Vance, an Plaza street, apposite the freight depot, will receive and make to order in the latest styles, all kinds of plain and fancy sewing.*

\$55 will buy you a Wilson sewing machine—best and cheapest in America. Terms to suit any and all. Mrs. G. P. Barnett, Plaza St., sole agent for Reno. m13-1m

EL DORADO SALOON.—Conrad Zick has just taken charge of this place, opposite Wintermantel's Hotel. Every attention paid to the patrons. Musical headquarters.
